Backend development and B2B consultative sales at a junior IT consulting firm.

PET-SI · EACH-USP
Aug 2026 — Present

Tutorial Education Program Scholar

Scholar in PET-SI, participating in the program's three pillars: teaching, research, and outreach.

SAEG · USP
Jul 2026 — Present

Undergraduate Research Scholar (PUB-USP)

Software testing and debugging research at the SAEG group, supervised by Prof. Dr. Marcos Lordello Chaim.

SELECTED PROJECTS

SampaNav
Python · FastAPI · MapLibre GL · H3

Routes in São Paulo balancing time and risk

DaSIboard
React · TypeScript · Vite · Supabase

Platform for EACH-USP IS students

JFLP Studio
Python · Java · Jaguar 2 · Maven

Maven and Jaguar 2 at scale, with comparable results

Engrama
Python · Ollama · Reinforcement Learning · Local LLM

Digital pet with a simulated mind and a local LLM

VTT RPG
React · TypeScript · Vite · Supabase

Virtual RPG tabletop, offline and online

UNIVERSITY ORGANIZATIONS

Each In The Shell (EITS) · Cybersecurity Researcher

USPCodeLab Leste · Web Development Project Manager

Hype — Data & AI · Data & AI Researcher

Conway USP · Design & Communications Lead (Aug–present); Project Organizer (Apr–Aug)

Semana de Sistemas de Informação · Organizing Committee — Sponsorship/Finance and Creative/Communications

DASI USP · IT Project Coordinator

EDUCATION

BSc in Information Systems
University of São Paulo · School of Arts, Sciences and Humanities (EACH-USP)
2026 — 2029 · In progress

SKILLS

Languages
Python, Java, TypeScript, JavaScript, SQL

Backend & APIs
FastAPI, Node.js, REST APIs

Data & Databases
PostgreSQL, MySQL, Machine Learning, Data Science, Data Analysis, Matplotlib

Infrastructure & Tools
Docker, Git, GitHub, Linux, Unix

Generative AI
Generative AI, Claude Cowork

AWARDS

- Champion · Hackfools 2026
- 1st place · AI Agent Building Hackathon
- Champion · Capture The Flag
- Bronze medal · OBMEP

CERTIFICATES

- Certificate of Completion: Claude 101
- Introduction to Linux
- AWS Educate: Introduction to Generative AI
- Data Science and Machine Learning
- Game Development Concepts

LANGUAGES

Portuguese — native or bilingual · English — professional working proficiency
